Testimonials 2009

“Facilitating BCD Group1 is one of the great joys of my life. I benefit as much as any other Group member.”

-Kate Costello, Director-Governance matters

“This is not a group of women chatting over coffee. It’s a powerful life-changing event that grows and deepens with every month. Within six months of joining I was appointed to a board directorship. BCD is an outstanding innovation delivering real value and real support for business women throughout South Australia.”

-Terri Scheer, Managing Director-Scheer Investment Company Pty Ltd

“After leaving University, there has been little opportunity to form the bonds of friendship that once happened so easily. Behind Closed Doors has provided that opportunity and it’s a joy to develop close friendships with fellow executives who have walked the path I am treading. It’s great to know that support is only a phone call or email away. From a business perspective, the extended professional network is priceless. In 6 months, I have multiplied my initial investment in becoming a member of BCD many-fold and this is only the beginning.”

-Michelle Stanton, CEO-Zonehigh P/L

“BCD is the most powerful collegiate experience of my career. It provides a safe haven to explore ideas where I know I will receive honest, considered feedback from trusted, skilled and experienced professionals whose only interest is in assisting me.”
